## characteristics Labsit 4 with sit-stop-castors and foot ring

Article: 9125 fabric

| | | | |
|---|---|---|---|
| Dimensions in mm | Backrest: | H: | 420 |
| | Seat: | H: | 560-810 |
| | | B: | 450 |
| | | T: | 420 |
| Packing data | Weight | kg | 9,8 |
| | Volume | m³ | 0,19 |

| Base equipment | | Benefit |
|---|---|---|
| Laboratory compliance | Washable und resistant to disinfectant. GMP and cleanroom compatible. Can be used in laboratories with safety classification S1 to S3. Minimal joints and positive-locking (Hygienic-Design). | Suitable for laboratories and all hygiene-critical environments particularly health care, universities, biotechnology, chemistry and pharmaceuticals. |
| Handling | Practical handle on backrest. Extremely lightweight. Compact size. | Ensures maximal mobility and ease of use. |
| Ergonomics | Easy adjustment for user or workplace situation with single lever. | Intuitive handling. With its flexing functions Labsit adjusts automatically. No need for complicated tilt adjustments. |
| Backrest | Synthetic Backrest with 3D-Flex function. | The backrest adapts to the movements of the user and therefore follows the upper body when leaning back or turning sideways. This ensures a dynamic seating position and provides optimal support for the body in any position. Intuitive and automatic. |
| Seat | Flex funktion at front edge of seat. | The front edge of the seat automatically follows the forward-angled working position of the body. This ensures optimal blood circulation and effectively prevents pressure pain. |
| Seat Shell | Five colours to choose from: blue (3277), grey (3278), orange (3279) and green (3280). | Attractive design. Improves the ambience of the workplace and employee satisfaction. |
| Upholstered Seat | Lucia fabric: Hard-wearing, breathable and comfortable fabric upholstery. Fire protection according to EN 1021 Part 1 + 2 Colour: black. | Upholstery is breathable and can absorb and release humidity. Extremely soft to guarantee maximum seating comfort. |
| Seat Height | Seat height infinitely adjustable between 560 - 810 mm. | Large variability of seat height adjustment. |
| 5-Star Base | Sturdy polyamide base Optional: Aluminium base | Very sturdy, durable and stable. High quality. Attractive design. |
| Foot Ring | Height adjustable, chromium-plated foot ring. | Wide foot plate provides good support. Height can be quickly and easily adjusted. |
| Castors/Glides | Load dependant braked soft double castors for hard floors. | The chair will not roll away when unused which minimises the risk for accidents. |
