

## Scan a wide range of documents on the go with the fastest portable business scanner on the market<sup>1</sup>, with Super Speed USB 3.0 connectivity

With the fastest speeds on the market at 25ppm<sup>1</sup> in its class, it's easy to manage documents quickly and effectively while on the move. Thanks to its lightweight and compact design, it's easy to keep it in a bag or place in a drawer for digitising a variety of media at your convenience. It also features a 20-page document feeder to increase efficiency.

### A portable solution

It's easy to scan and manage your paperwork on the go with the DS-310. Its compact and lightweight design means that it's ideal for carrying in a bag or even storing in a drawer.

### Highly versatile

Give yourself the flexibility to scan what you need, when you need it. With the DS-310, you can capture documents at 300dpi in colour and monochrome with absolute ease. When it comes to media, it's almost limitless with both single and double-sided scanning, and the ability to handle card and paper between 52 and 230gsm. It even has a dedicated slot for scanning plastic identification cards and driving licences.

### Fastest on the market

Speed through your paperwork with the fastest portable business scanner on the market. With its scan speed of 25ppm<sup>1</sup> it's quick and easy to digitise everything from contracts and forms to receipts. Even multi-page documents are quick to process with its 20-page automatic document feeder. And with its Super Speed USB 3.0 connectivity, transferring files is quick too. It's also possible to control the scanner from your smartphone or tablet with the free Epson Scan App.
